*District will provide 1) system networking equipment; 2) fiber line extensions where the route is in the current five year planned build out; and 3) fiber line extensions less than one mile in length outside of the planned build out when existing electrical overhead infrastructure can be utilized.

Wavelength Locations and Spans

SONET Locations and Spans

DEFINITIONS:

VLAN (Virtual Local Area Network) - A method by which network traffic does not share the same broadcast domain and is segregated from other network traffic while sharing a common infrastructure.

STANDARD SERVICES – Aggregated Ethernet Services over District Fiber Optic Ethernet System.

Advanced Business Transport Service – Guaranteed bandwidth between available locations.

SERVICE: Service under this Schedule is subject to the terms and conditions in the District's Telecommunications Policies, as the same may be amended from time to time.

Maximum contract term including extensions shall not exceed 10 years. New contracts shall incur a Non-Recurring Charge and Monthly Charges as listed in this Rate Schedule.

TAX ADJUSTMENT: The amount of any tax levied by any governmental entity, in accordance with the Laws of the State of Washington, will be added to the above charges.

PUBLIC UTILITY DISTRICT NO. 2 OF GRANT COUNTY, WASHINGTON**RATE SCHEDULE 100
WHOLESALE TELECOM
FIBER OPTIC NETWORK SERVICE
CONTINUED****Minimum Bill:**

After a six month initial startup period, service providers will be charged a minimum monthly bill according to the following timeline.

1-6 Months	No Minimum
7-18 Months	\$500.00 Minimum
18+	\$1,000.00 Minimum

Late Payment Charges:

Bills that remain unpaid 25 days after the billing date shall be assessed a late payment charge on the unpaid balance. The late payment charge shall be applied on the 26th day after billing and will be calculated using the US Prime Lending Rate as determined by the Federal Reserve and published in the Wall Street Journal as of the preceding March 15, divided by four (4), rounded to two digits and applied as a monthly percentage interest rate to the accrued outstanding balance. The applicable monthly percentage rate will be adjusted each March 15th based on this same formula. If March 15 falls on a non-business day, the District will use the prime rate published in the Wall Street Journal on the next business day. In no event however shall the minimum monthly late payment charge amount be less than \$50.00. Late payment charges shall continue to accrue until such time as the bill and all accumulated charges have been paid in full.
