

**RATE SCHEDULE NO. 93 - 2000**  
**SCHEDULED POWER**

**AVAILABILITY:** To customers that qualify for service under Rate Schedule 91, New Large Single Load Service. Customers desiring service under this rate schedule are required to execute a power supply agreement with the District identifying that portion of customers load which will be served pursuant to this rate schedule; the effective date and term of service; the rate and billing method; and such other matters, as determined by the District.

**EFFECTIVE:** For power delivered on and after *April 1, 2000*.

**RATE:** The contract price for electric power will be specified in the power supply agreement. Said price will be determined individually for each customer based on the District's cost to provide the power supply. In determining the contract price, the District will take into account the current and projected values of the following factors, as applicable at the time the power supply agreement is executed by the customer and the District.

The cost of electricity available to the District in the market.

The district's labor and overhead costs.

The cost of providing service based upon fixed versus floating/adjustable prices, as elected by the customer.

Transmission and line loss costs to bring the power to the District's System.

The hourly, daily, and seasonal shape of the power.

The effects of the length of the power supply agreement in light of the then current market conditions.

The flexibility desired by the customer to alter the amount of power to be delivered on an hourly, daily and seasonal basis.

The obligation to the customer to take and/or pay for power, which is contracted for, but is not needed to meet customer's load.

District risk premium.

Other cost of service factors reasonably related to the service provided by the District to the customer.

**BILLING:** The District shall bill the customer for service over billing periods, as specified in the power supply agreement.

**TAX ADJUSTMENT:** The amount of any tax levied by any city or town, in accordance with RCW 54.28.070 of the Laws of the State of Washington, will be added to the above charges.

**SERVICE:** Service under this schedule is subject to the terms and conditions in the District's Customer Service Policies, as the same may be amended from time to time.
