

Excerpts from Commission Meeting of April 26, 2010

Motion was made by Mr. Allred and seconded by Mr. Flint directing the Manager to file a plan for Crescent Bar Island, as requested in a letter from FERC dated March 10, 2010, that states there will be no private residential uses on Crescent Bar Island after expiration of the existing lease with the Port of Quincy. Staff shall develop and consult on a final plan and schedule by August 30, 2010. The plan will outline the process and steps to develop a public recreation and wildlife enhancement plan for Crescent Bar Island consistent with the License and Grant PUD Commission policies. After consideration, the motion passed by unanimous vote of the Commission. The Commission President then announced he was withdrawing the approved vote to allow additional testimony from members of the audience. Additional comments were made regarding of Crescent Bar. The Commission engaged in further discussion regarding the motion and comments received. Upon completing the discussion, the motion passed by unanimous vote of the Commission.
