

2024 HEAT PUMP APPLICATION

All sections must be filled out, signed, and dated by a WA State registered contractor and the building owner as applicable. An incomplete form will not be processed. A copy of your final paid invoice(s) and/or receipt(s) need to be included with this form. You must have properly installed a qualifying heat pump in an existing site-built dwelling or manufactured home unit with a previous electrical heat source to qualify. Programs are subject to change or cancellation without notice.
